| Action Plan 2022-2023: | | | | |
| Objective | Success Criteria/Impact | Actions to be taken | How it will be monitored | Evaluation (July '23) |
| To assess the children’s skills in PE. | The class teachers are aware of their pupil’s progress towards the expectations and areas they need to work on | <ul style="list-style-type: none">Discuss expectations for PE in a staff meeting using Complete PEDevelop format for Complete PE planning that is consistent across the schoolPE subject lead to monitor use of and quality of Complete PE | Subject scrutiny | Unfortunately, monitoring has become inconsistent, due to absence of curriculum leader. Complete PE planning has been introduced to staff, but requires further development next year, when there will be several staff changes |
| To increase awareness of progress and attainment towards expectations | Subject lead has a secure knowledge of progress and attainment in PE across the school | <ul style="list-style-type: none">Learning WalkTalking to the children as part of scrutinyDevelop a format for planning and delivery of PE curriculum discuss in a staff meetingPE subject lead to monitor PE curriculum | Talking to the children Completed monitoring and subject review Share planning with Premier Sports team | Unfortunately, monitoring has become inconsistent, due to absence of curriculum leader. Complete PE planning has been introduced to staff, but requires further development next year, when there will be several staff changes. Plan to revisit this when staff with appropriate expertise have taken up post. Assessment of planning and activities being provided by the external sport team has been initiated, and will be completed in the near future to ensure continuum of provision. |
| To enhance the children’s experience and opportunities in PE. | All pupils have taken part in a sport/activity that they would not have normally done. Children are more physically active. | <ul style="list-style-type: none">Continue sports clubs after school through Premier SportsTarget PP children for after school clubs by offering free attendance and a special inviteProvide special ‘one off’ experiences for each class e.g. sailingSports resources purchased for EYFS and lunchtime/playtimeSports coaches within curriculum offering sports not normally available within lessons e.g. dance and creative focus | Talking to the children Monitor attendance at after school sports clubs | A range of after-school activities have been provided with some proving more popular than other, A review of these to be undertaken to ensure relevant experiences are being offered to the children. Some visit to external providers arranged. New outdoor sports equipment purchased across the school to enhance opportunities for maximum “hands-on” activities. |

The effect of the premium on pupils' PE and sport participation and attainment (to be evaluated July 2023):

The funding enables all pupils to experience a wider range of PE/ Outdoor activities through the use of additional coaches and those qualified to provide wider educational experiences to promote health and well-being.

How will you make sure these improvements are sustainable? (to be evaluated July 2023)

Piddle Valley will ensure the continuation of successful activities and widen the scope of those popular with all pupils. We will use the employed coaches to support the development of in-house teacher expertise to develop the PE curriculum and the implementation of the Complete PE Planning Scheme.
